

Lake Michigan Aquatic Resources
Gerald Hodges

Gerald has been an area resident for over 60 years, and will always love the marshes, beaches, and dunes. He grew up in Miller Beach and was educated in Gary. After college in Texas, Gerald chose a career in steelmaking at Gary Works.

He served on the City of Portage Port Authority as Vice Chairman and head of the Planning and Development Committee, a standing committee of the Port Authority. Gerald was elected to the Board of Directors of the Northwest Indiana Steelheaders, and represents them on the CAB.

“I believe our most important function is the continuous increase and enhancement of public access to the natural features of the Coastal Zone.”
